

## SMS CallBack Instructions

1. Send an SMS message from your mobile phone to deltatree's access number **+ 44 7788 548018**.

2. The **SMS message to send: CallingAccount# A-Number B-Number**

**CallingAccount#:** your deltatree 8-digit User ID and 4-digit password, followed by the # sign.

**A-Number:** the phone number\* that will receive the call back first.

**B-Number:** the destination phone number.\*

**You can choose not to send the B-Number in the SMS message. Enter the B-Number after we call you back.**

For example:

**deltathree will call back the A-Number and connect the call to the B-Number.\*\* Start using deltatree's SMS CallBack service today.**

\* Make sure to enter the country code, area code, and the number, even for local telephone numbers.

\*\* The cost of the SMS CallBack call is the price per minute to the A-Number plus the price per minute to the B-Number.
